Smiley Insurance has been in business since 1995 and has an experienced team of insurance agents, many with over 20 years in the industry. We are a member of the Advantage Group, a pool of 14 agents to provide a strong influence with the insurance carriers and provide effective and efficient service to our customers. "We started using Business Bank because of the check connect service they offer so we no longer have to take our deposits to the bank. We also appreciate the friendly staff at Business Bank and their eagerness to help find workable solutions to our banking needs. It's nice to be able to talk face to face with the people making the decisions and get an answer the same day."
