

MONEY MAKING SPECIAL

Our Variable Rate CD has hit the floor!

The 12 month variable rate is as low as it can go. Why is that good news? Because the 3.03% APY rate can only increase from here!

Our Variable Rate CD offers the following great features:

- Variable rate indexed to Prime – so it increases when Prime goes up
- Additional deposits of \$500 or more accepted at any time

Rumor has it that interest rates are poised to go up as the economy rebounds. Why lock into a low fixed rate now if you don't have to?

CUSTOMER SPOTLIGHT

Printwise Inc.

Printwise Inc. has been servicing the printing needs of Skagit, Island, and Whatcom county businesses since 1988. In 2006 (under new ownership) we converted all of our production processes to digital. Our customers' expectations continue to shift to shorter runs (under 10,000 qty) and higher quality, which fits perfectly into our digital environment. We are now offering expanded services, such as personalized marketing (variable data), mailing services, and on-demand fulfillment . . . all intended to help our customers grow their business and exceed their goals.

"It's critical for us to build strong relationships. Business Bank has been there for us all the way . . . friendly, competent people, 'out of the box' services, and a willingness to provide solutions tailored to our specific banking needs."

Helping us expand into new markets . . . priceless!!
